### All of our Digital Displays utilise the following innovative features:

#### Ⓞ Real-Time Updates:

Instant updates across multiple or individual screens allowing for dynamic content through out the event or day.  
All content managed remotely.

#### Ⓞ Cutting-Edge Technology:

New to the market, lightweight, 4K resolution screens with a low profile, even bezel. All Supported by a simple user friendly content dashboard.

#### Ⓞ Versatility:

Set up and installed in seconds.  
Just plug it in and connect to Wifi (can be supplied).  
Available for purchase, day hire or lease.

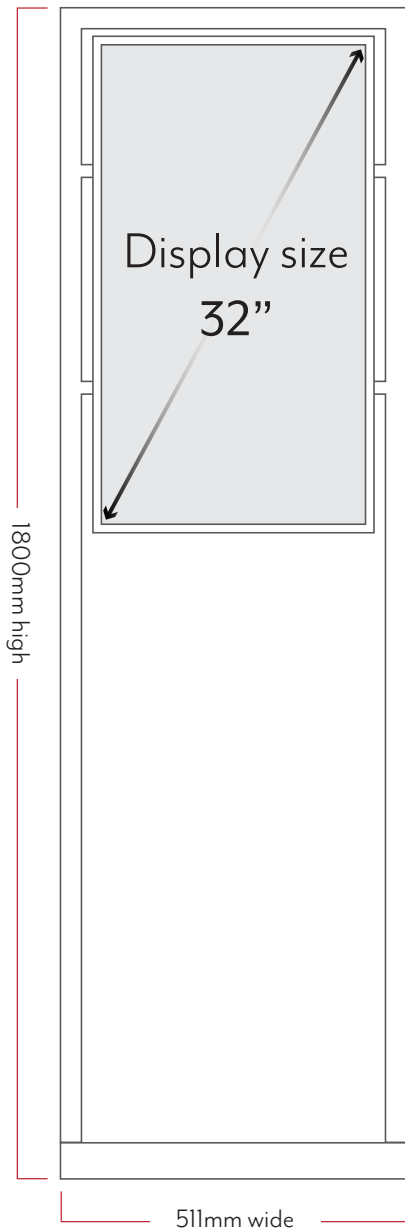

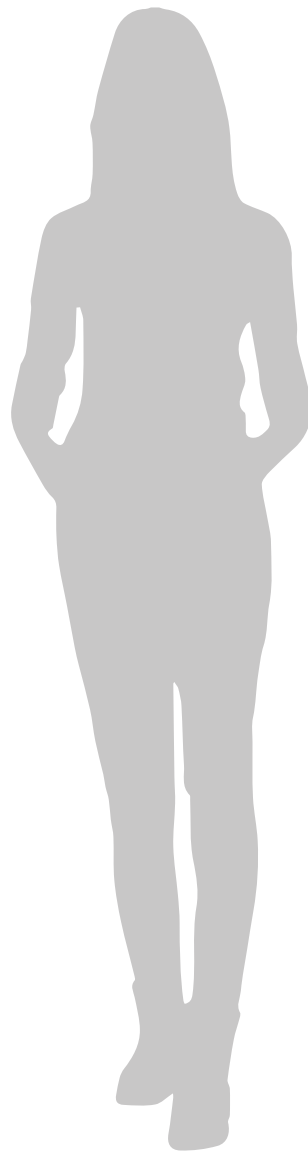

#### Ⓞ Maximum Impact:

Our lightweigh bespoke frame and super thin, ultra black Displays take a back seat to your dynamic content making your graphics really 'pop'.

32

## Compact.

A perfect balance of size and versatility. The 32 is a budget friendly, practical and high quality Digital Display. Equally at home in an office, lobby or small social event. Perfect for breakout or meeting signage, or to show the way to the lunch!

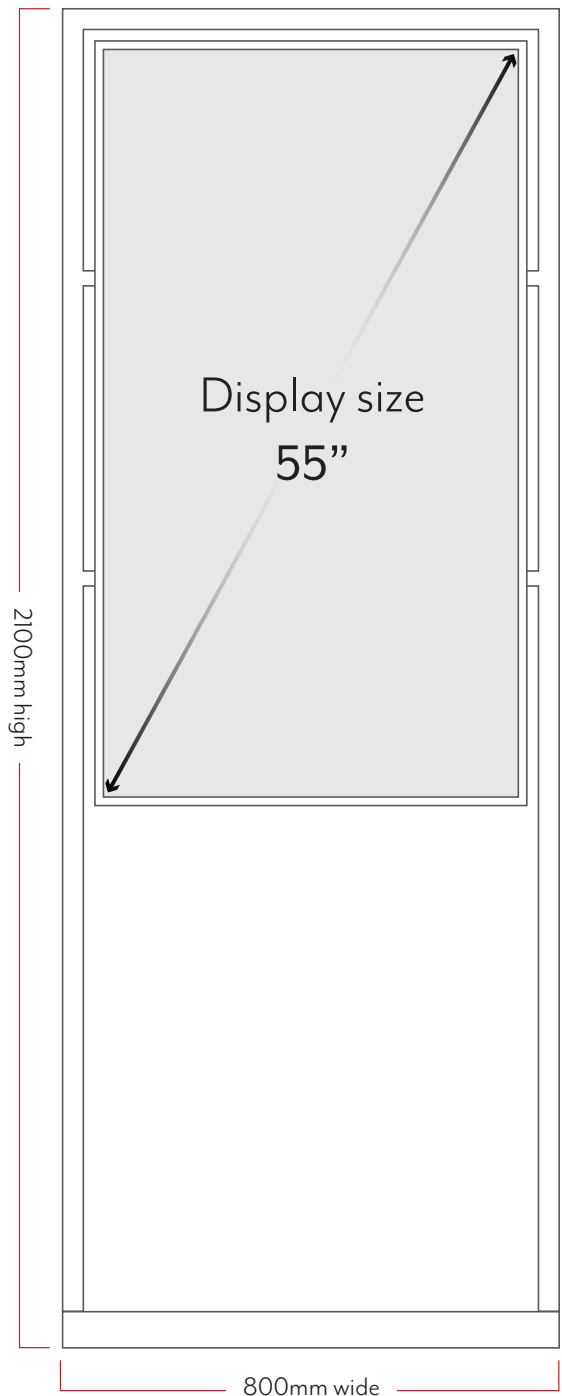

Event Hire per day  
**£150.00**

55

## Impact.

Scaling up, the 55 has a presence that cannot be denied. This is the perfect solution for dynamic advertising or event focused engagement.

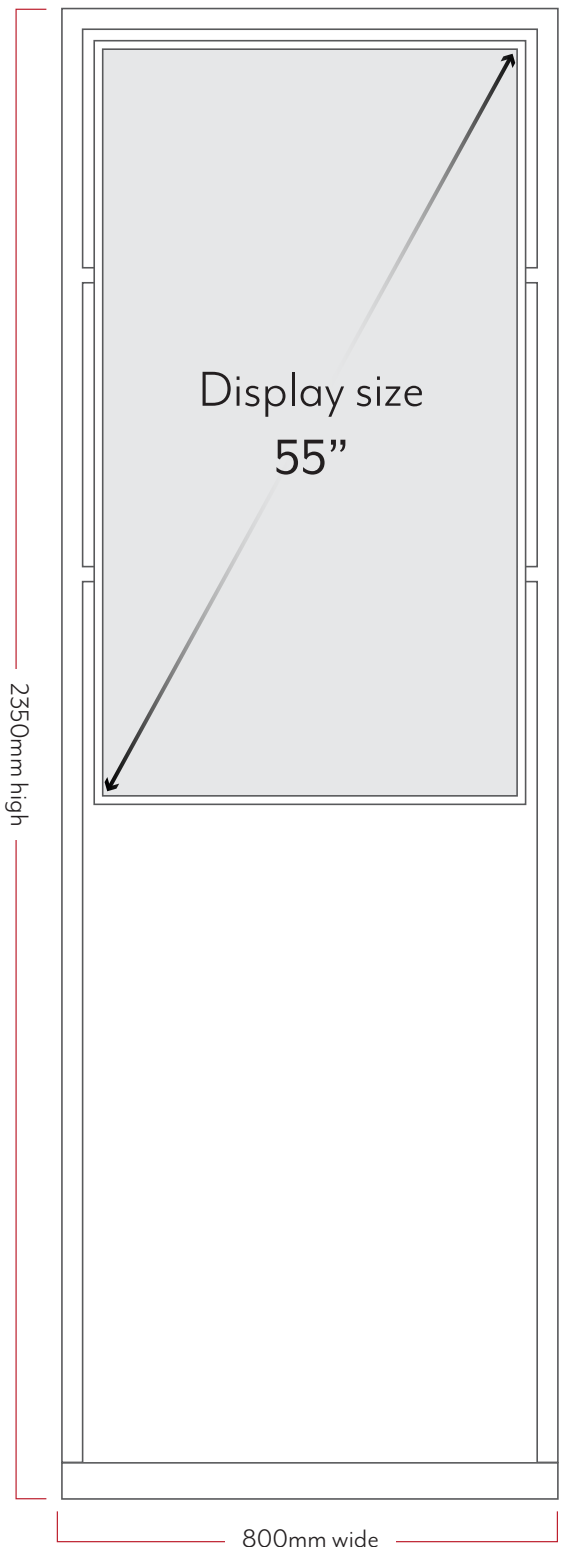

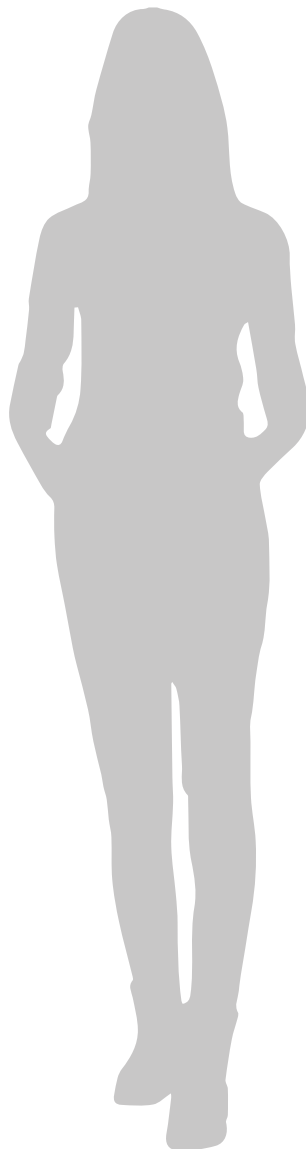

Event Hire per day  
**£275.00**

## High Impact.

Step up. The 55 TALL adds even more impact to your content with its higher viewing height and so suitable for larger venues.

Carefully designed for maximum visibility in areas with higher foot traffic.

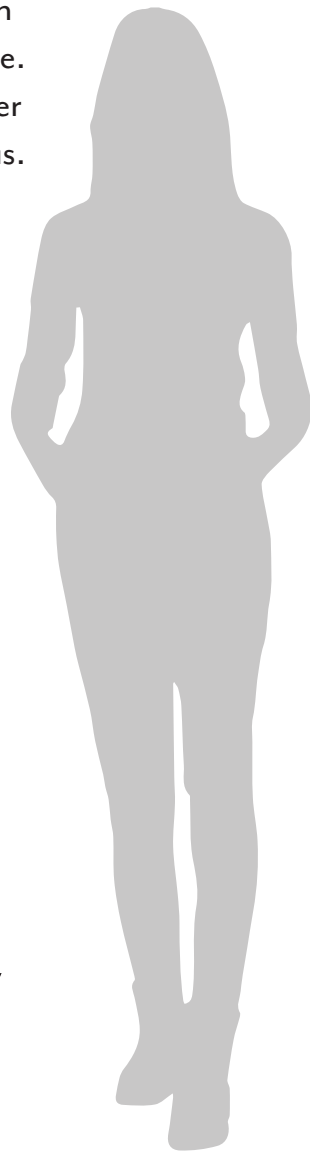

Event Hire per day  
**£300.00**

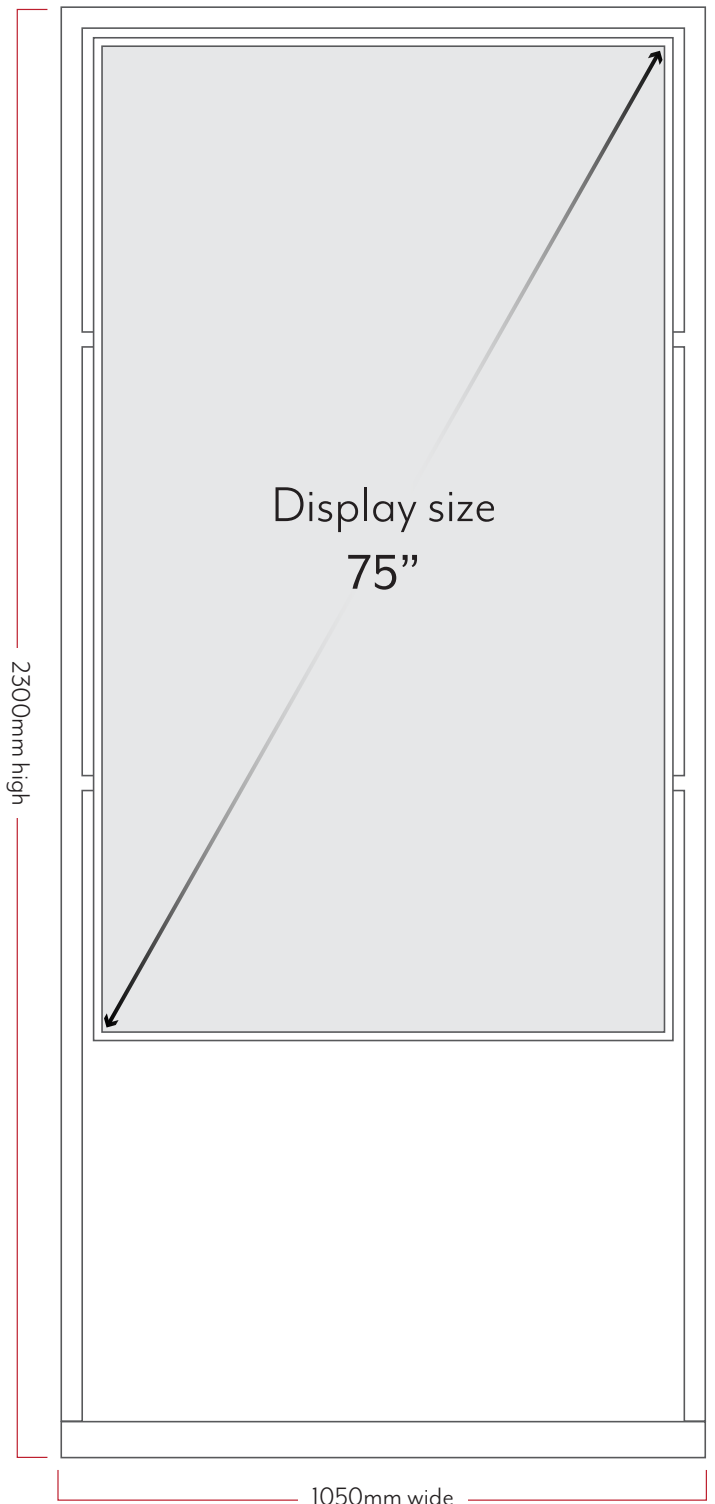

75

## Flagship.

The Daddy, our most requested Digital Display. The 75 has to be seen to be believed. Pin sharp graphics and animations come to life in an immersive vibrant experience. Put several next to each other for extra impact and gravitas.

Event Hire per day  
**£400.00**
